NEW QUESTION: 2

Using the Project Scenario and the Extract from Stage Plan for stage 3 provided as additional intonation for this question in the Scenario Booklet, answer the following 5 questions.

The Stage Plan for stage 3 has been produced.

The Engineering Manager insists that there are to be no interruptions to operations whilst photographs are being taken of the engineering staff performing their everyday duties and operating machinery. Two weeks ago the professional photographer produced the photo session schedule based on the operational staff schedule. The operational staff schedule is produced weekly and maintained by the Engineering Manager.

None of the £500 change budget has been used to date and this is available for the stage.

Which 2 statements apply to the Planning assumptions section?

- A. Move entry 9 to External dependencies because the photo session schedule is created by the professional photographer.
- B. Delete entry 10 because the inclusion of different members from the Engineering team in each photo should be shown in the Product Description for the photos.
- C. No change to entry 8 because this cannot be confirmed until all of the label designs entries have been received and an assessment made.
- D. Move entry 8 to External dependencies because the label designs are created outside of the scope of the project.
- E. Delete entry 9 because the photo session schedule should have been approved as part of stage 2.
